SUBJECT: UN 1267: USG HOLDS ON LIBYAN TERRORIST SANCTION REQUESTS

REF: STATE 97379

¶1. We are still trying to arrange a face-to-face discussion on Libya's outstanding UNSCR 1267 nominations (reftel) with the MFA's International Organizations Affairs office. The combination of Ramadan hours and the absence in New York of the leadership of that office has so far frustrated our efforts. On September 17, we sent a diplomatic note transmitting the essential points concerning our desire to work with the Libyans to resolve the issues surrounding the libyan nominations for the 1267 list.

¶2. We will continue to seek a meeting with the relevant Libyan officials, but do not think it will occur until after the Id al-Fitr ends here on October 3.
